

PLAYERS EARLY BIRD LADIES GOLF LEAGUE TIP SHEET

CLUB CHAMPIONSHIP

You must have played 12 games to be eligible. Three dates are set-aside for 9-hole Club Championship. To qualify you must play at least two of the three scheduled games. Low gross scores will determine the Champ.

THREE DIVISIONS

“A” – Handicaps 0 – 33

“B” – Handicaps 34 - 42

“C” – Handicaps 43 - 44

EQUITABLE STROKE CONTROL

This term is used for calculating **Handicaps** only. At present the Sports Captains do it for you.

<u>Handicap</u>	<u>Limit</u>
1-18	2 over par
19-32	3 over par
33 + over	4 over par

MOST IMPROVED: The winner is the player whose handicap has decreased by the greatest points in the year.

BIRDIE TREE: A birdie is one under par on any hole. **Players should circle each birdie on their card.** Birdies get posted to our Birdie Tree by your Sports Coordinators. Anyone with a birdie receives a birdie pin at the banquet.

AN EAGLE: Is 2 under par. No prize for this, it is just special.

HIDDEN PARTNER: Play your own game. Names will be drawn and matched up by sports coordinators.

CLOSEST TO THE PIN ON THE GREEN: **The Sports Coordinator picks one hole.** A marker goes with the first group out and the person hitting closest to the pin signs the card and places the marker by her ball. Then only when a person hits closer than the last should the marker be signed and moved.

LEAST PUTTS: **Putts to be marked on the card.** Least putts win this. Each player's gross score should be entered. Ex: Hole #1 par 4, you get a score of 8 with 3 putts you would enter 8³.

MOST PUTTS: **Putts to be marked on the card.** Most putts win this.

EVEN HOLES: It is lowest gross score for the even holes.

ODD HOLES: It is lowest gross score for the odd holes.

PUTTER AND 3 CLUBS: Bring only your favorite 3 clubs and putter.

LOW HIDDEN HOLE: Your Sports Coordinator determines low hidden hole. Lowest gross score is the winner.

HIGH HIDDEN HOLE: Your Sports Coordinator determines high hidden hole. Highest gross score is the winner.

MOST PARS: The most par's for 9 holes is the winner.

BEST POKER HAND: Best poker hand in the first 5 holes in a scheduled 9-hole game.

LONGEST DRIVE: The first group out for the day takes the marker with them, and when reaching the chosen hole, the person hitting the longest ball on the fairway from the tee, signs the marker and places it beside her ball. Next group, if anyone hits closer to the hole they move the marker and signs her name. It goes on and on but only if you hit further. Last group out should bring the marker back to the Pro Shop.

ALTERNATE SHOT: Both players Tee off on hole #1. Go to the best ball and alternate shots until end of game. E.g.. If player #1 putts out then Player #2 tees off on the next hole etc.

SUGGESTION: Have two players in the group keep score each week and compare scores at end of game to avoid any discrepancies. Sign, attest and turn in one card only.

If you are unable to golf, and have a scheduled tee time, please advise the Pro Shop ASAP (697-4976).

Bogie – Good score for the duffer

Par – A duffer's dream

Eagle – An act of God
