

PLAYERS EARLY BIRD LADIES LEAGUE POLICY  
Revised at April 13, 2011 Executive Meeting

**Membership Fees**

The Players Early Bird Ladies League is a non-profit organization with a policy of no membership refunds after March 31 of the current golf season. However, fees will be refunded when a golfer has not played any games because of illness, death or being relocated.

In the case of extended illness or injury a member will be placed on the injured list at her request and a doctor's note will be required. Upon notification of the Executive, the member may return to play at anytime during the season, with full payment of membership fees.

**Cards**

Get well and sympathy cards will be sent to members in the event of extended illness or injury, death of spouse or child and to the member's family in the event of the member's death.

**Death of a Member**

In the event of the death of a league member, voluntary donations *may* be collected and will be spent according to the wishes of the family: flowers, donation to charity, etc.

**Attendance**

A copy of the "Ineligibility Letter" will be sent by the Executive to any member who has not played the required number of games (12) unless that member has been excused for reasons of illness, family emergency or other extenuating circumstances. Early notification to the Executive is **required** and a doctor's note may be requested. Once notified, decisions are made at the discretion of the Executive.

**Guests**

Guests' full names must be included on the score card with a "G" beside the name. Members can bring a guest three times in a golf season and that person (guest) can only attend three games total in a golf season.

**Weather**

1. If the golf course is **closed** for inclement weather, then all members who are signed up and had a tee time will be given credit for attendance.
2. If the golf course is **not closed** for inclement weather, all members who were signed up, had a tee time, showed up at the golf course and submitted a score card signed by those who were actually in attendance, will be given credit for the game. When a player is unable to complete all 9 holes in a game because of inclement weather that game will qualify for attendance.
3. If the golf course is open but carts are not permitted, those who must use golf carts will be given credit for the game, even if they do not drive to the course, provided they had signed up for a tee time.
