

# PLAYERS EARLY BIRD LADIES GOLF LEAGUE TIP SHEET

## CLUB CHAMPIONSHIP

You must have played 12 games to be eligible. Three dates are set-aside for 9-hole Club Championship. To qualify you must play at least two of the three scheduled games. Low gross scores will determine the Champ

## FOUR DIVISIONS

“A” – Handicaps 0 - 33

“B” – Handicaps 34 - 42

“C” – Handicaps 43 - 49

“D” – Handicaps 50+

## EQUITABLE STROKE CONTROL

This term is used for calculating Handicaps only. At present the Sports Captains do it for you.

| <u>Handicap</u> | <u>Limit</u> |
|-----------------|--------------|
| 1-18            | 2 over par   |
| 19-32           | 3 over par   |
| 33 + over       | 4 over par   |

**MOST IMPROVED:** The winner is the player whose handicap has decreased by the greatest points in the year. Usually no one in the first year.

**BIRDIE TREE:** A birdie is one under par on any hole. **Players should circle each birdie on their card.** Birdies are posted on our Birdie Tree by your Sports Coordinators. Anyone with a birdie receives a birdie pin at the banquet.

**AN EAGLE:** Is 2 under par. No prize for this, just special.

**HIDDEN PARTNER:** Play your own game. Names will be drawn and matched up by sports coordinators.

**CLOSEST TO THE PIN ON THE GREEN:** **The Sports Coordinator picks one hole.** A marker goes with the first group out and the person hitting closest to the pin, signs the card and places the marker by her ball. Then only when a person hits closer than the last player should the marker be signed and moved.

**LEAST PUTTS:** Putts to be marked on the card. Least putts win this.

Each player's gross score should be entered. Ex: Hole #1 par 4, you get a score of 8 with 3 putts you would enter 8<sup>3</sup>.

**MOST PUTTS:** Putts to be marked on the card. Most putts win this.

**EVEN HOLES:** It is lowest gross score for the even holes.

**ODD HOLES:** It is lowest gross score for the odd holes.

**PUTTER AND 3 CLUBS:** Bring only your favorite 3 clubs and putter.

**LOW HIDDEN HOLE:** Low hidden hole is determined by your Sports Coordinator. Lowest gross score is the winner.

**HIGH HIDDEN HOLE:** Again hole is determined by your Sports Coordinator. Highest gross score is the winner.

**MOST PARS:** The most pars for 9 holes is the winner.

**BEST POKER HAND:** Best poker hand in the first 5 holes in a scheduled 9-hole game.

**LONGEST DRIVE:** The first group out for the day takes the marker with them, and the person hitting the longest ball on the fairway from the tee, signs the marker and places it beside her ball. Next group, if anyone hits farther she moves the marker and signs her name. It goes on and on but only if you hit further. Last group out should bring the marker back to the Pro Shop.

**ALTERNATE SHOT:** Both players Tee off on hole #1. Go to the best ball and alternate shots until end of game. E.g. If player #1 putts out then Player #2 tees off on the next hole etc.

**SUGGESTION:** Have two players in the group keep score each week and compare scores at end of game to avoid any discrepancies. Sign, attest and turn in one card only.

**If you are unable to golf, and have a scheduled tee time, please advise the Pro Shop ASAP (697-4976).**

**TO MAKE YOUR SPORTS COORDINATORS JOB EASIER - PLEASE ENSURE THAT YOUR CARD HAS THE FIRST AND LAST NAMES OF ALL PLAYERS AND THE CARD HAS BEEN SIGNED AND ATTESTED.**

- . Only one card per group needs to be turned in, signed and attested
- . When Guests play, their full name should be entered, Guest marked beside name, and whom they are a Guest of. **Same Guest cannot play more than three games in a season.**
- . **WHIFF:** When a player takes a stroke and misses, it is to be counted as a stroke.
- . **GIMMIES:** There are no gimmies in the league.
- . **PRACTICE SWINGS:** No more than two practice swings per shot.
- . If your ball is on the green when you play and the ball, which your ball hits, is also on the green, you are penalized two strokes.
- . If you suspect your ball is lost or out of bounds hit a provisional ball. If your ball is lost or out of bounds, you must add a penalty stroke to your score and play another ball from where you played your last shot.
- . If your ball is in an unplayable spot, such as too close to a tree or under a bush, add a penalty stroke and either 1.) Go back to where you played the last shot and hit again or, 2.) Measure two club lengths, drop a ball and play from there.

**MOST IMPORTANT: PRACTISE GOOD GOLF ETIQUETTE AND HAVE FUN!!**
